Introduction

Section 334 of the Local Government Act, 1993 requires Council to appoint a person to be its General Manager. At Cootamundra-Gundagai Regional Council the position of General Manager is currently vacant with Deputy General Manager, Phil McMurray, acting in the role.

At the Extraordinary Council Meeting of 17th April, 2019 Council resolved to invite the following recruitment companies to submit proposals, including quotations:

- Blackadder Associates
- Local Government Management Solutions
- McArthur Management Services

At the Ordinary Meeting Council held on 25th June, 2019 it was resolved to accept the proposal received from Local Government NSW Management Solutions (LGMS), for the recruitment of the position of General Manager at Cootamundra-Gundagai Regional Council (Min no. 207/2019).

Christian Morris and Wayne Noakes, Senior Management Consultants of LGMS, are currently reviewing the applications for the position of General Manager received by LGMS, and will be subsequently shortlisting the applicants and providing that shortlist for the consideration of Council.

As part of the recruitment process, it is proposed that a four (4) person panel of Councillors be appointed to review the shortlisted applicants and conduct the interviews in conjunction with LGMS. It is also proposed that Councillor Dennis Palmer (Deputy Mayor), myself and two additional Councillors comprise the panel to undertake these activities in conjunction with LGMS.

Following the conduct of the process the panel would prepare a report, including recruitment recommendations, for the consideration of Council.

The Office of Local Government Guidelines for the Appointment and Oversight of General Managers, attached to the report, provides comprehensive information to assist Councillors with undertaking the recruitment and selection for the General Manager's position with regard to their obligations under the Local Government Act, 1993 and the Local Government (General) Regulation 2005.

These Guidelines should be read in conjunction with the following:

INTRODUCTION

The position of general manager is pivotal in a council. It is the interface between the governing body comprised of elected councillors, which sets the strategy and monitors the performance of the council, and the administrative body of the council, headed by the general manager, which implements the decisions of the governing body. The relationship between the general manager and the councillors is of utmost importance for good governance and a well functioning council.

The Act requires all councils' governing bodies to appoint a person to be general manager (section 334). The Guidelines provide a guide and checklist for councillors to refer to when considering:

- the recruitment and appointment of general managers
- re-appointment of general managers or ending contracts
- conducting performance reviews of general managers, and
- engaging in the day to day oversight of general managers.

They are designed to promote a consistent approach across NSW councils to the recruitment, appointment, and oversight of general managers.

There are appendices to the Guidelines which do not form part of the Guidelines.

These Guidelines were prepared with the assistance of the Local Government and Shires Associations of NSW (LGSA) and the Local Government Managers Association (NSW) (LGMA).

A. STAFFING OF COUNCIL

1. Organisation structure

A council should have sufficient and appropriately qualified staff for the efficient and effective delivery of its functions.

The Act requires the governing body of council to determine an organisation structure, the senior staff positions within that structure and the resources to be allocated towards the employment of staff (s332).

When considering the most appropriate organisation structure for council to adopt, the governing body of council needs to consider what human resources are necessary to successfully achieve the goals articulated in the council's Community Strategic Plan, Delivery Program and Resourcing Strategy. For this reason, a Workforce Strategy is an essential component of a council's Resourcing Strategy. A council's organisation structure should align with its Workforce Strategy and be designed to support its Delivery Program and the achievement of its Community Strategic Plan.

The governing body of council must approve and adopt their organisation structure by council resolution. Councils must review and re-determine the council's organisation structure within 12 months of an ordinary election.

Councils may review and re-determine the council's organisation structure at any other time. Generally a council should consider reviewing its organisation structure in the event of a significant change to its Community Strategic Plan, Delivery Program or Resourcing Strategy.

Councillors are entitled to access the council's organisation structure when required and upon request to the general manager.

2. Appointment of Staff

The only staff position that is appointed by the governing body of council is that of the general manager. The position of general manager is a senior staff position (s334).

The general manager is responsible for the appointment of all other staff (including senior staff) in accordance with the organisation structure and resources approved by the council's governing body (s335(2)).

However, the general manager may only appoint or dismiss senior staff after consultation with the governing body of council (s337).

B. RECRUITMENT AND SELECTION

1. Requirements of the Local Government Act 1993

As with the appointment of all council staff, the council must ensure that the appointment of the general manager is made using merit selection principles (section 349).

Recruitment using merit selection is a competitive process where the applicant who demonstrates that they have the best qualifications and experience relevant to the position is appointed.

Equal Employment Opportunity principles also apply to the recruitment of general managers (sections 349 and 344).

The recruitment process must be open and transparent, but the confidentiality of individual applicants must be maintained. A failure to maintain appropriate confidentiality may constitute a breach of the Act and/or Privacy legislation.

2. The pre-interview phase

The council's governing body is responsible for recruiting the general manager.

The governing body of council should delegate the task of recruitment to a selection panel and approve the recruitment process. The panel will report back to the governing body of council on the process and recommend the most meritorious applicant for appointment by the council.

The selection panel should consist of at least the mayor, the deputy mayor, another councillor and, ideally, a suitably qualified person independent of the council. The LGSA and the LGMA can be contacted for assistance to identify suitable independent recruitment committee members and recruitment consultants. The selection panel membership should remain the same throughout the entire recruitment process.

Selection panels must have at least one male and one female member (other than in exceptional circumstances).

The council's governing body should delegate to one person (generally the mayor) the task of ensuring:

- the selection panel is established
- the general manager position description is current and evaluated in terms of salary to reflect the responsibilities of the position
- the proposed salary range reflects the responsibilities and duties of the position
- the position is advertised according to the requirements of the Act
- information packages are prepared
- applicants selected for interview are notified.

The mayor, or another person independent of council staff, should be the contact person for the position and should maintain confidentiality with respect to contact by potential applicants.

3. Interview Phase

Interviews should be held as soon as possible after candidates are short listed.

Questions should be designed to reflect the selection criteria of the position and elicit the suitability of the candidate for the position.

Interviews should be kept confidential.

All written references must be checked.

A selection panel must delegate the task of contacting referees to one panel member. Other panel members should not contact referees.

If contact with someone other than a nominated referee is required, the applicant's permission is to be sought.

At least 2 referees must be contacted and asked questions about the candidate relevant to the selection criteria.

Where tertiary qualifications are relied on they should be produced for inspection and if necessary for verification.

Appropriate background checks must be undertaken, for example bankruptcy checks. For more guidance on better practice recruitment background checks, councils are referred to the Australian Standard AS 4811-2006 *Employment Screening* and ICAC publications, which can be found on the ICAC website at <http://www.icac.nsw.gov.au>.

4. Selection Panel Report

The selection panel is responsible for preparing a report to the council's governing body that:

- outlines the selection process
- recommends the most meritorious applicant with reasons
- recommends an eligibility list if appropriate
- recommends that no appointment is made if the outcome of interviews is that there are no suitable applicants.

This report should be confidential and reported to a closed meeting of council.

The council's governing body must by resolution approve the position of the general manager being offered to the successful candidate before that position is actually offered to that candidate.

5. *Finalising the appointment*

The mayor makes the offer of employment after the governing body of council has resolved to appoint the successful candidate. The initial offer can be made by telephone.

Conditions such as term of the contract (1-5 years) and remuneration package (within the range approved by the governing body of council) can be discussed by phone, but must be confirmed in writing.

The Standard Contract for the Employment of General Managers as approved by the Chief Executive of the Division of Local Government must be used. The Standard Contract (Annexure 3 of these Guidelines) is available in the 'Information for Councils', 'Directory of Policy Advice for Councils' section of the Division's website at <http://www.dlg.nsw.gov.au>.

The terms of the Standard Contract must not be varied. Only the term and the schedules to the Standard Contract can be individualised.

General managers must be employed for 1 – 5 years.

The contract governs:

- the duties and functions of general managers
- performance agreements
- the process for renewal of employment contracts
- termination of employment and termination payments
- salary increases
- leave entitlements.

It should be noted that the Chief Executive of the Division of Local Government cannot approve individual variations to the standard terms of the contract.

Those candidates who are placed on the eligibility list and unsuccessful applicants should be advised of the outcome of the recruitment process before the successful applicant's details are made public.

6. *Record keeping*

Councils should keep and store all records created as part of the recruitment process including the advertisement, position description, selection criteria, questions asked at interview, interview panel notes, selection panel reports and notes of any discussions with the selected candidate. These records are required to be stored and disposed of in accordance with the *State Records Act 1998*.

C. ROLE OF THE GENERAL MANAGER

Councillors comprise the governing body of a council and make decisions by passing resolutions. It is the general manager's role to implement council decisions and carry out functions imposed by legislation. A council's governing body monitors the implementation of its decisions via reports by the general manager to council meetings.

1. Key duties of all general managers

The general manager is generally responsible for the effective and efficient operation of the council's organisation and for ensuring the implementation of the council's decisions without undue delay. The general manager carries out all their functions within the guidelines and policy framework approved by the council.

The general manager also has a role to play in assisting the governing body of council develop its strategic direction. The general manager is responsible for guiding the preparation of the Community Strategic Plan and the council's response to it via the Delivery Program. The general manager is responsible for implementing the Delivery Program and will report to the governing body of council on its progress and conduct regular updates and reviews.

The general manager is responsible for recruiting and appointing staff within the organisation structure determined by the governing body of council. This must be in accordance with the budget approved by the council's governing body and be for the purpose of carrying out the council's statutory functions and implementing council's Community Strategic Plan, Delivery Program and Operational Plan.

The general manager must consult with the governing body of council before appointing or dismissing senior staff. The general manager must report to the council at least annually on the contractual conditions of senior staff (cl.217 of the Regulation).

The general manager is responsible for performance management of staff, including staff discipline and dismissal.

The general manager is also responsible for ensuring councillors are provided with information and the advice they require in order to make informed decisions and to carry out their civic duties.

The governing body of council may direct the general manager to provide councillors with advice or a recommendation, but cannot direct as to the content of that advice or recommendation.

Generally, requests by councillors for assistance or information should go through the general manager, except where he or she has authorised another council officer to undertake this role. The Guidelines for the Model Code of Conduct contemplate that a council should develop a policy to provide guidance on interactions between council officials. This policy should be agreed to by both the council's governing body and the general manager.

Councillors could reasonably expect general managers will report routinely on significant industrial issues and/or litigation affecting the council, particularly those that impact on the council's budget or organisation structure.

The general manager should ensure that the council meeting business papers are sufficient to enable the council to make informed decisions, as well as to allow councillors to properly monitor and review the operations of the council. This will assist councils in ensuring that they are complying with any relevant statutory obligations, keeping within the budget approved by the council and achieving the strategic goals set by the council in its Delivery Program and Operational Plan.

Councillors should receive a number of financial reports during the year, including the Quarterly Budget Review Statements included in the Code of Accounting Practice and Financial Reporting and which are referred to in the draft Quarterly Budget Review Statements Guidelines, reports required by the Regulation and any legislation. In addition, the council should receive at least quarterly a report about any significant litigation affecting the council.

Councillors should also receive reports, at least half yearly, on progress towards implementation of the Community Strategic Plan and Delivery Program (see clause 203 of the Regulation or page 20 of the Integrated Planning and Reporting Guidelines).

Clause 10 of the Model Code of Conduct sets out the obligations on general managers and council staff to provide councillors with information in order for councillors to carry out their civic functions.

Councillors have a right to sufficient information to make informed decisions. Applications for information under the *Government Information (Public Access) Act* 2009 (GIPAA) are available to everyone including councillors.

2. Duties delegated to general managers

A governing body of council may delegate certain functions to the general manager. A delegation of a council function must be made by a council resolution (Chapter 12 Part 3 ss 377-381 of the Act).

A governing body of council cannot delegate the functions set out in section 377(1) of the Act.

A council's governing body may not delegate the adoption of a Code of Meeting Practice, a Code of Conduct, or the endorsement of Community Strategic Plans, Resourcing Strategies, Delivery Programs and Operational Plans.

Each governing body of council must review its delegation of functions during the first 12 months of each term of office (s.380). To assist with this review, it is recommended that, within the first 6 months of the new term, the governing body of council reviews what functions have been delegated and to whom they have been delegated to determine if the delegation and the policies guiding those delegated decisions have been working effectively.

It should be noted that the general manager may sub-delegate a function delegated to him/her by the governing body of council (s378). However, the general manager still retains responsibility to ensure that any sub-delegated function is carried out appropriately.

Where functions are delegated to the general manager to perform on behalf of a governing body of council, it is important for the governing body of council to ensure there are policies in place to guide the decision making. The governing body of council should keep policies guiding the delegated decisions under regular review.

For example, where media liaison is delegated to the general manager, the governing body of council should adopt a media policy to guide statements to the media.

It is important that council's governing body ensure that proper records are kept of applications that are determined under delegation and that there is regular reporting on the implementation of delegated functions. This is essential so that council's governing body can be provided with assurance that the delegated function is being undertaken in accordance with any relevant council policies and regulatory framework, eg, development application decisions.

The council's internal audit function is another important internal control to ensure that delegated functions are complying with relevant policy and legislation. A well designed internal audit program should give council independent assurance that council's internal controls are working effectively.

Where authority to make a decision is delegated this does not remove a council's authority to make a decision.

Matters that fall outside the terms of a council policy, delegation, or day to day management (section 335), should be referred to the governing body of council for a decision.

D. DAY-TO-DAY OVERSIGHT AND LIAISON WITH THE GENERAL MANAGER

Council's governing body is required to monitor and review the performance of the general manager as discussed in Section C, above. However, a council's governing body should delegate to the mayor the role of day-to-day oversight of and liaison with the general manager.

The mayor's role in the day-to-day management of the general manager should include:

- approving leave
- approving expenses incurred
- managing complaints about the general manager.

The council's governing body should ensure there are adequate and appropriate policies in place to guide the mayor in the day-to-day oversight of and liaison with the general manager and keep those policies under regular review.

Some of the key policies the governing body of council should have in place relate to:

- leave
- travel
- credit cards
- purchasing and procurement
- expenses and facilities
- petty cash
- financial and non-financial delegations of authority.

The governing body of council should also ensure there are adequate policies in place with respect to expenditure of council funds, as well as adequate reporting requirements in relation to that expenditure.

The council's governing body should satisfy itself that any policy governing the conferral of a benefit on the general manager, such as use of a motor vehicle, allows the actual dollar value of that benefit to be quantified so it can be accurately reflected in the general manager's salary package in Schedule C to the Standard Contract.

Within 6 months of the date of these Guidelines, council's governing body should check to ensure these key policies are in place. They should then be kept under regular review.

E. PERFORMANCE MANAGEMENT

1. General manager performance management framework

The general manager is made accountable to their council principally through their contract of employment.

The role of the governing body is to oversee the general manager's performance in accordance with the Standard Contract.

The performance of the general manager must be reviewed at least annually against the agreed performance criteria for the position. Council may also choose to undertake more frequent interim reviews of the general manager's performance.

The agreed performance criteria are set out in an agreement that is signed within three months of the commencement of the contract. Development of the performance agreement is discussed below.

2. Establishing the framework for performance management

The council's governing body is to establish a performance review panel and delegate the task of performance reviews of the general manager to this panel. The extent of the delegation should be clear.

It is recommended that the whole process of performance management be delegated to the performance review panel, including discussions about performance, any actions that should be taken and the determination of the new performance agreement.

Performance review panels should comprise the mayor, the deputy mayor, another councillor nominated by council and a councillor nominated by the general manager. The council's governing body may also consider including an independent observer on the panel. Panel members should be trained in the performance management of general managers.

The role of the review panel includes:

- conducting performance reviews
- reporting the findings and recommendations of those reviews to council
- development of the performance agreement.

The governing body of council and the general manager may agree on the involvement of an external facilitator to assist with the process of performance appraisal and the development of new performance plans. This person should be selected by the governing body of council or the performance review panel. The LGSA and the LGMA can be contacted for assistance to identify suitable independent facilitators to assist in the performance management process.

All councillors not on the panel can contribute to the process by providing feedback to the mayor on the general manager's performance.

All councillors should be notified of relevant dates in the performance review cycle and be kept advised of the panel's findings and recommendations.

The panel should report back to the governing body of council in a closed session the findings and recommendations of its performance review as soon as practicable following any performance review. This should not be an opportunity to debate the results or re-enact the performance review of the general manager. The general manager should not be present when the matter is considered.

The performance management report of any council staff member, including the general manager, should not be released to the public and should be retained on the appropriate confidential council employment file. Release of such personal information to other than the Performance Review Panel, the general manager and the councillors in confidence may be a breach of privacy legislation.

3. Establishing the performance agreement

The performance agreement is the most important component of successful performance management. The performance agreement should include clearly defined and measurable performance indicators against which the general manager's performance can be measured.

As one of the general manager's key responsibilities is to oversee the implementation of council's strategic direction, it is important to align the general manager's performance criteria to the goals contained in the council's Community Strategic Plan, Resourcing Strategy, Delivery Program and Operational Plan.

The performance agreement should also include the general manager's personal contribution to the council's key achievements and the general manager's core capabilities, including leadership qualities.

The performance agreement should contain but not be limited to key indicators that measure how well the general manager has met the council's expectations with respect to:

- service delivery targets from the council's Delivery Program and Operational Plan;
- budget compliance;
- organisational capability;
- timeliness and accuracy of information and advice to councillors;
- timely implementation of council resolutions;
- management of organisational risks;
- leadership etc.

4. Performance Review Process

The Standard Contract requires that the performance of the general manager must be formally reviewed at least annually. The governing body of council may also undertake interim performance reviews as appropriate.

The assessment should include:

- self assessment by the general manager
- assessment by the review panel of the general manager's performance against the performance agreement.

The performance review meeting should be scheduled with sufficient notice to all parties and in accordance with clauses 7.6 and 7.7 of the Standard Contract.

The meeting should concentrate on constructive dialogue about the general manager's performance against all sections of the agreed performance plan.

The meeting should identify any areas of concern and agree actions to address those concerns.

In undertaking any performance review, care must be taken to ensure that the review is conducted fairly and in accordance with the principles of natural justice and that the laws and principles of anti-discrimination are complied with. The

appointment by a council, in agreement with the general manager, of an external facilitator (see above) to advise on the process should assist council in complying with these laws and principles.

The council's governing body must advise the general manager, in writing, in clear terms, the outcome of any performance review.

The new performance agreement for the next period should be prepared as soon as possible after the completion of the previous period. The agreement should be presented to the governing body of council for discussion in a closed meeting together with the outcomes of the previous review period.

5. *Contract Renewal or Separation*

It is important that any decision by the governing body of council to renew a contract for the general manager and the term of that contract be reported back to an open meeting of council, together with the total amount of any salary package agreed to.

Termination of a contract on the basis of poor performance can only occur where there has been a formal review undertaken against the signed performance agreement where performance difficulties were identified and have not subsequently been remedied. For further discussion on separation or renewal of general managers' contracts, see section F, below.

6. *Reward and Remuneration*

An annual increase in the salary package, equivalent to the latest percentage increase in remuneration for senior executive office holders as determined by the Statutory and Other Offices Remuneration Tribunal, is available to the general manager under the Standard Contract on each anniversary of the contract.

Discretionary increases to the general manager's total remuneration package under the provisions of the Standard Contract may only occur after a formal review of the general manager's performance has been undertaken by the governing body of council and the governing body of council resolves to grant such a discretionary increase because of better than satisfactory performance.

Discretionary increases are intended to be an incentive for general managers to perform at their maximum throughout the life of the contract. Discretionary increases are also intended to encourage contracts of the maximum duration.

Any discretionary increases should be modest and in line with community expectations.

All discretionary increases in remuneration, together with the reasons for the increase, must be reported to an open meeting of council.

F. SEPARATION OR RENEWAL

1. *Termination of a general manager's employment*

The Standard Contract for general managers sets out how a general manager's contract can be terminated before its expiry date by either the governing body of council or the general manager (clause 10 of the Standard Contract).

Termination can be by agreement of both parties. The general manager may terminate the contract by giving 4 weeks written notice to the governing body of council.

A governing body of council may terminate the contract by giving 4 weeks written notice where the general manager has become incapacitated for 12 weeks or more, has exhausted their sick leave and the duration of the incapacity is either indefinite or for a period that would make it unreasonable for the contract to be continued.

Termination of a contract on the basis of poor performance may only occur where there has been a formal review undertaken against the signed performance agreement, where performance difficulties have been identified and have not been remedied as agreed. In these instances, the council must give the general manager either 13 weeks written notice of termination or termination payment in lieu of notice calculated in accordance with Schedule C of the Standard Contract.

A governing body of council may terminate the general manager's contract at any time by giving the general manager 38 weeks written notice or pay the general manager a lump sum of 38 weeks remuneration in accordance with Schedule C of the Standard Contract. If there are less than 38 weeks left to run in the term of the general manager's contract, a council can pay out the balance of the contract in lieu of notice.

In the circumstances set out at 10.4 of the Standard Contract, a council may summarily dismiss a general manager. The remuneration arrangements under these circumstances are set out in clause 11.4 of the Standard Contract.

Section 336 (2) of the Act sets out other circumstances where a general manager's appointment is automatically terminated.

2. *Suspension of General Manager*

The governing body of council may suspend the general manager. However, great caution should be exercised when considering such a course of action and it would be appropriate for a governing body of council to seek and be guided by expert advice from a person or organisation that is suitably qualified and experienced in such matters. The governing body may authorise the Mayor to obtain such expert advice.

Suspension should be on full pay for a clearly defined period.

Any decision to suspend a general manager should be taken by a governing body of council at a closed council meeting, having first carefully considered any independent expert advice obtained on the specific matter.

It would not be appropriate to seek advice from council human resources staff on the issue of suspending the general manager.

The principles of natural justice and procedural fairness apply to any decision to suspend a general manager, ie, the general manager must be advised of the circumstances leading to the suspension, the reasons for the suspension, the period of the suspension and be given a right to respond to the decision to suspend.

3. Dispute resolution

The Standard Contract contains a dispute resolution clause at clause 17.

These provisions are designed to encourage councils and general managers to attempt to negotiate agreement on disputes where they arise.

The governing body of council should ideally resolve to delegate this function to the mayor or a panel of 3 councillors including the mayor.

If the dispute involves the mayor then the deputy mayor should take the mayor's place. If there is no deputy mayor then the governing body should resolve to appoint another councillor to take the mayor's place.

The governing body of council and general manager should agree on an independent mediator to mediate the dispute. The LGSA and LGMA can provide assistance to their members to identify a suitable mediator.

The Standard Contract allows the Chief Executive of the Division of Local Government to appoint a mediator where the parties cannot agree on one.

4. Renewing a general manager's contract

Clause 5 of the Standard Contract describes how a general manager's appointment may be renewed.

The terms of the new contract, and in particular the schedules to the new contract, should be set out in the letter of offer. Before offering a new contract, the council should carefully review the terms of the schedules to the new contract.

The governing body of council should ensure that the performance management terms of the new contract adequately reflect its expectations as to the general manager's performance.

The governing body of council should also have regard to the previous performance reviews conducted under previous contracts.

The process of deciding whether or not to offer a general manager a new contract should be that:

- a performance review is conducted
- findings and recommendations are reported to a closed council meeting in the absence of the general manager
- the closed meeting considers and decides whether or not to offer a new contract and on what terms as set out in the schedules to the contract
- the general manager is then advised of the governing body of council's decision in confidence by the mayor.

Details of the decision to offer a new contract and a salary package should be reported to an open council meeting.
